All financial aid applicants will pay the full application fee in order to be considered for financial assistance. If you feel you have special circumstances and cannot afford the application fee, please include the reason in your statement below. A very limited number of students may be considered for a reduced application fee.

We are applying for:

- Full- tuition aid (\$250)
- Partial-tuition aid (up to \$125)

Please write a brief statement about why you feel you should be considered for financial assistance:

- I/we are willing to work at String Retreat in exchange for partial tuition for our student. (There are jobs during camp as well as some evenings, the weekend before, and the weekend after camp)
- I/we are unable to work at String Retreat.

Please include a brief recommendation from your school music teacher or private string teacher. (Below or attach a separate sheet.)
